Quote of the Day

"And now, with this bold legislation, we're sending a clear message to the doubters, the doubters that Washington can respond. We can respond. We can respond in a positive way. We're building on the strengths of our economy so that everybody who wants to work can find a job in this great country. Congratulations to the members of the United States Congress for rising to the challenge."

-- President George W. Bush, 5/28/03, at the signing of H.R. 2 - Jobs and Growth Reconciliation Tax Act of 2003
